Now is the Time

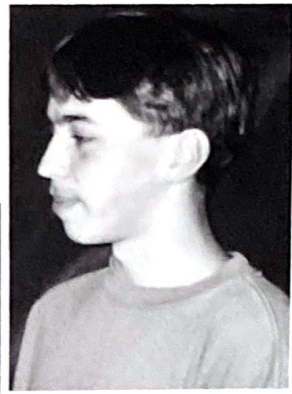

Here's Looking at You!

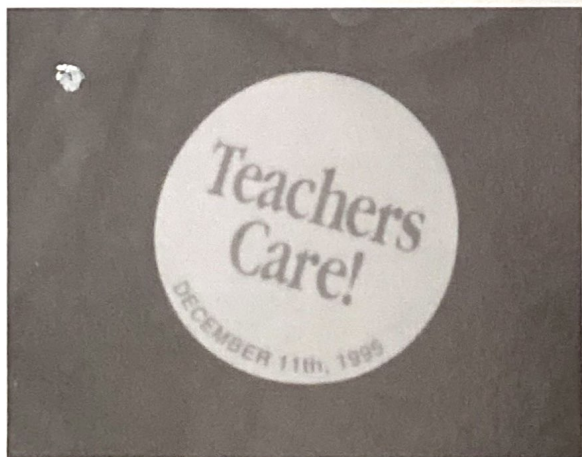

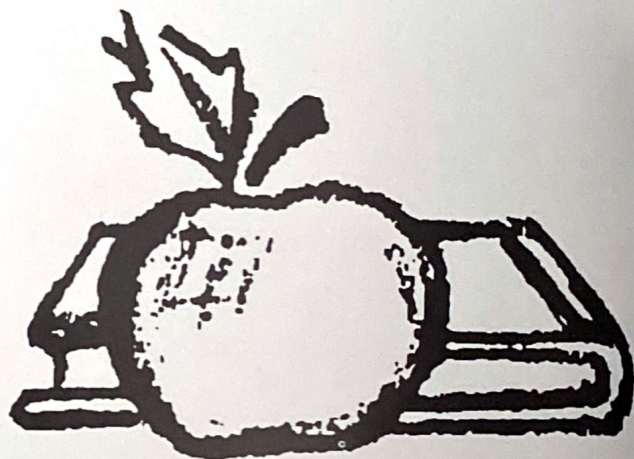

A DAY IN THE LIFE - Being a student at JP II means spending endless hours walking the halls, sitting in class, talking in the atrium and relaxing in the cafetorium.

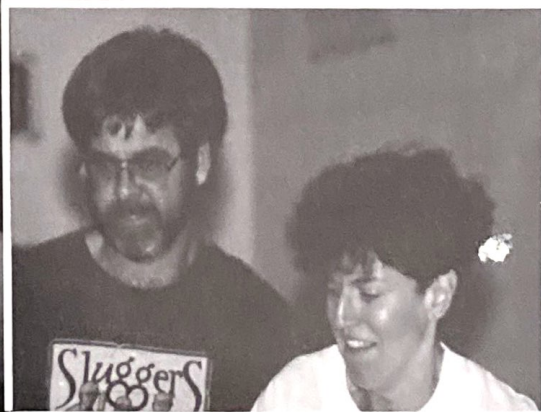

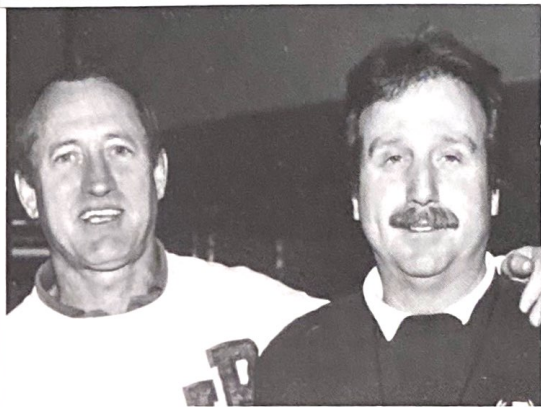

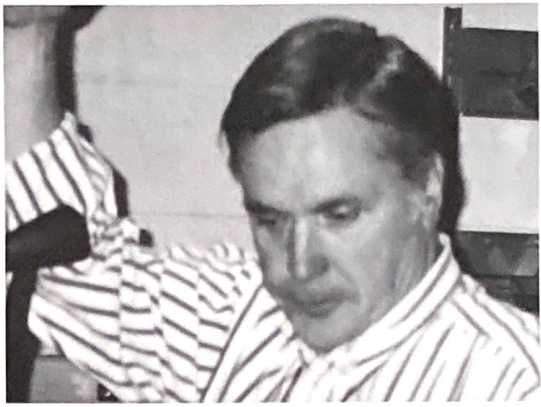

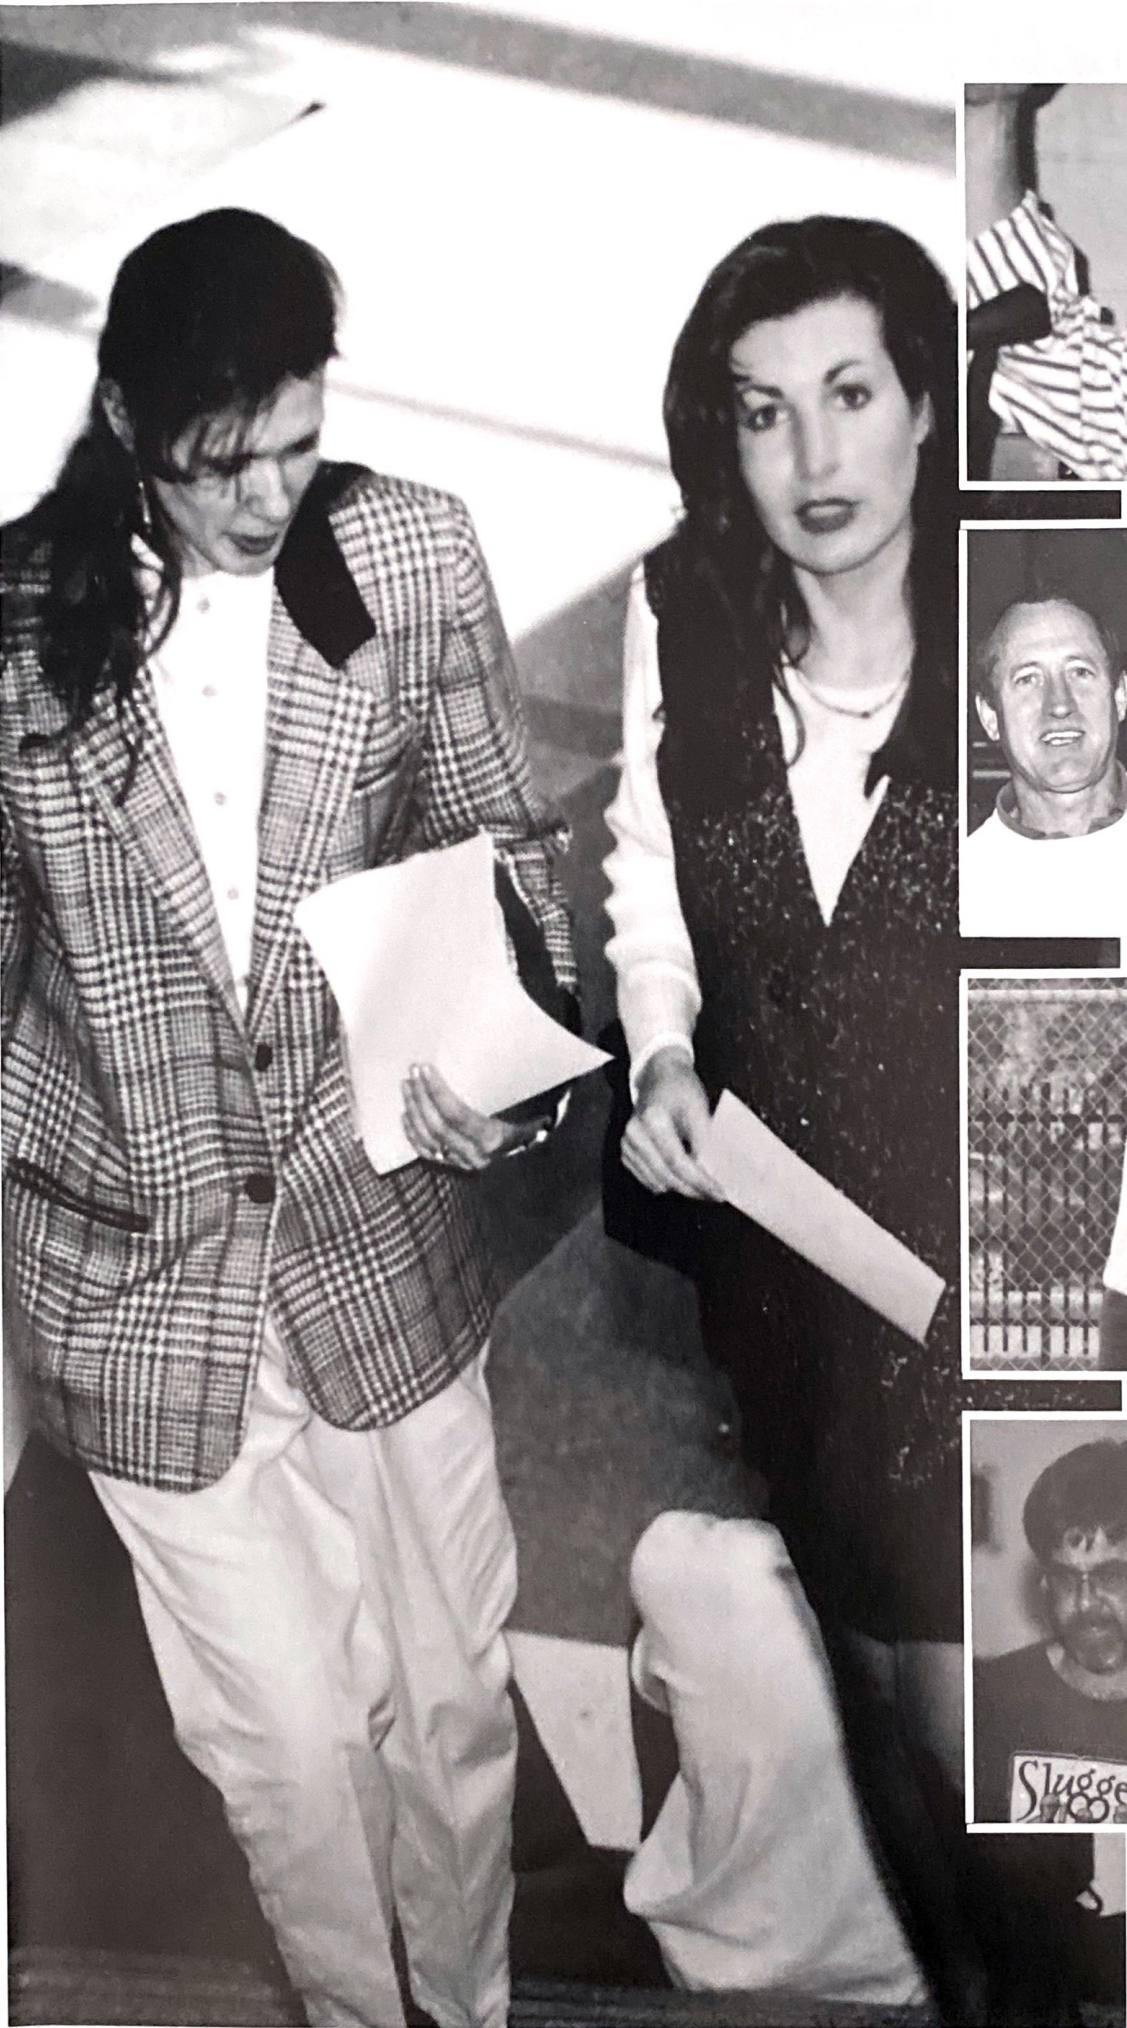

STUDENT LIFE

They Always Take The Time

The staff of John Paul II perform many roles in the lives of the students. They are our teachers, our coaches, our counsellors, our advisers, our leaders, our friends. They often take time at lunch or after school to provide us with extra help.

"Rent a Pal"

In September the grade nines volunteered to be rented by a senior student for a day. The grade nine's were dressed up in bizarre costumes and were humiliated by seniors. At right Jeremy Denomme and Chad O'Leary torment their "pals".

"Computer Hackers"

Learning the ropes is hard when you're in grade nine. In the JPII library these grade nines explore the world of computers.

"Donut Days"

Once again the JPIL community is reaching out to help others. For only 0.50¢ any student can buy a donut on every single Thursday of the school year. Pictured at left, Lori Hartman supervises the sales of the donuts.

In Memory

Mr. Michael Elsie, 1948-1995.

The John Paul II community was saddened by the untimely death of Mathematics Department Head, Michael Elsie. This summer.

Mr. Elsie succumbed to a congenital heart condition.

Mr. Elsie was an avid jogger, tennis player and squash player. He also had a love for hockey, basketball and crossword player.

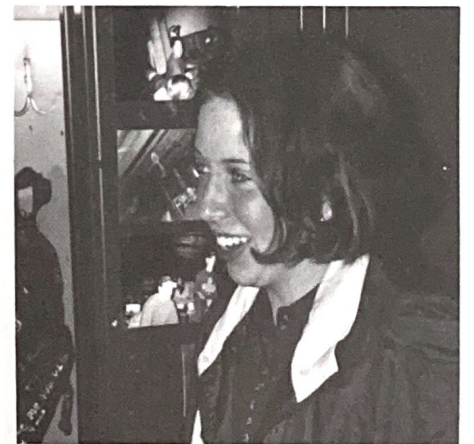

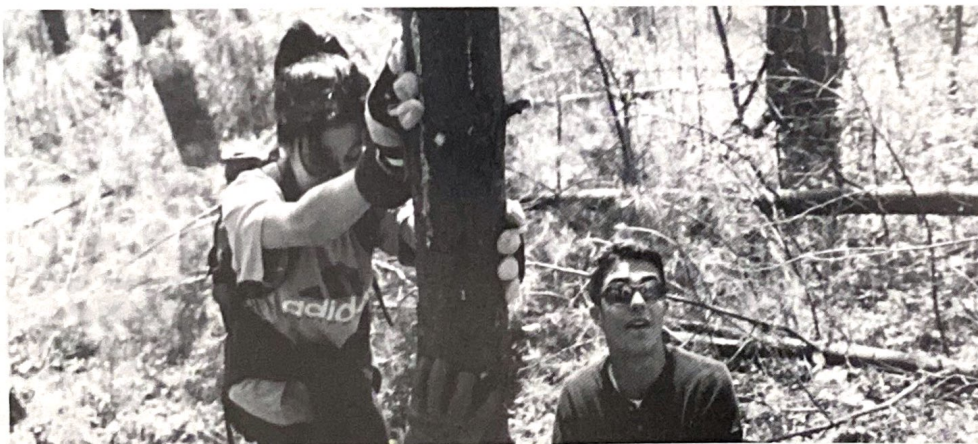

After teaching for one year at Notre Dame in Welland, Ontario, Mr. Elsie devoted twenty-two years of his life teaching students mathematics at Catholic Central, Regina Mundi and John Paul II.

Michael Elsie was an educational leader, with intense devotion to the teaching profession. For seventeen years he served as a Department Head of Mathematics.

He is survived by his wife Veronica, and two daughters, Kirsten, 14 years of age, and Ashley, eight.

Mr. Elsie was a man of warmth and passion for life. He will be very much missed by the John Paul II community.

LIFE IS A LEARNING EXPERIENCE

Mr. Mitchell, Principal

Dear Students:

Again it is my very great pleasure to grace the pages of this Yearbook in order to offer some thoughts of the past year.

It is my earnest and sincere hope that 1995-96 has been a memorable and fulfilling year for you all. If we can measure success by academic achievement, by the depth and breath of school activities in the school, then we may conclude that this past year has been one of significant accomplishment and progress.

As you turn the pages of this annual review in the months and years to come, I trust that it will evoke nothing but pleasant memories.

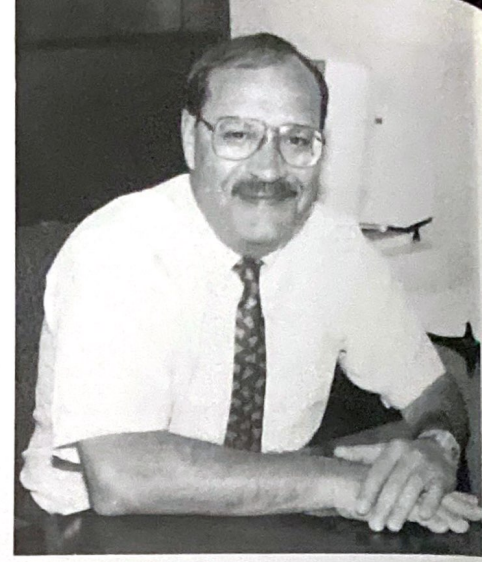

My closing remarks are reserved for the staff of the yearbook who expended much time and talent to produce this singular memento for all students. On behalf of the entire staff may I offer you our praise and thanks for a job well done.

Sincerely,
Robert D. Mitchell

Mr. Bove, Vice Principal

I would like to congratulate the yearbook staff who, with Ms. Zomer's leadership, have compiled an excellent yearbook. The community of John Paul II is the beneficiary of their many hours of hard work.

The yearbook depicts the many events of the 1995-96 school year and serves as a memory to another successful year!

I would like to congratulate the Student Council Executive who, along with Mr. McLellan as advisor, have shown positive leadership.

The support which the students have given to the Executive and all of its committees leaves me very optimistic for the future.

Congratulations to all for a great year and all the best for the future.
Sincerely,

T. Bove

Mr. Costigan, Vice Principal

Dear Students

In my past 3 years as Vice Principal, I have truly enjoyed working with all the students and staff here at John Paul II. This yearbook, along with all of your yearbooks, will be a cherished memento of your years in high school. Over your lifetime, you will revisit the names, events and activities that took place in this 1995-96 school year by referring back to this book.

Time is endless when you have something so valuable as this to remind you of your wonderful high school years.

Special thanks should be given to the Yearbook Staff for their hard work and long hours putting this historical book together.

As the years pass, always continue to remember the good times, cherish your friendships and continue to live the life and values that Jesus Christ would have wanted you to. John Paul II helped lay this ground work for your future, now it is up to you to keep this Spirit of Community alive in your hearts for the rest of your life.

Good luck and God bless.

Mr. Massaro, Vice Principal

My congratulations to the Yearbook Staff for putting together another wonderful book of memories and events at John Paul II for the 1995-96 school year. In years to come both staff and students will be able to recall these memories with their friends and families whenever someone pulls out this yearbook from a shelf. It is my hope that you will always have a special place in your heart for John Paul II Secondary School; I know I will.

Take a Time Out to PLAY!

John Paul II teachers took on the senior girls basketball team in a charity basketball game to benefit the United Way. The teachers won the game by a large margin, but a fun time was had by all.

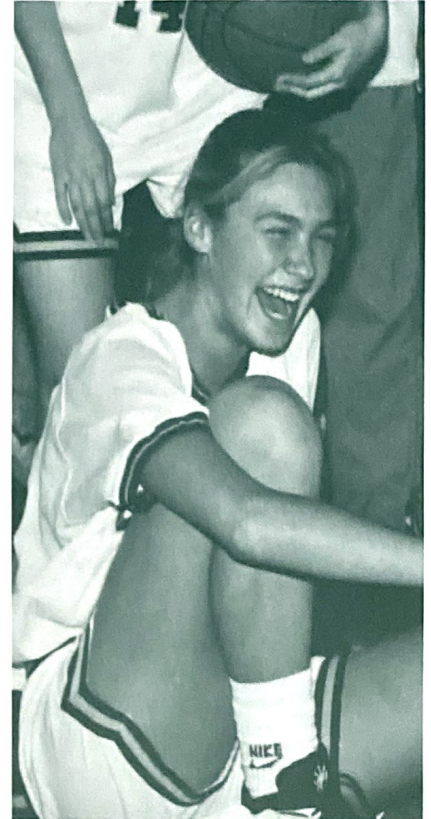

Time to Participate

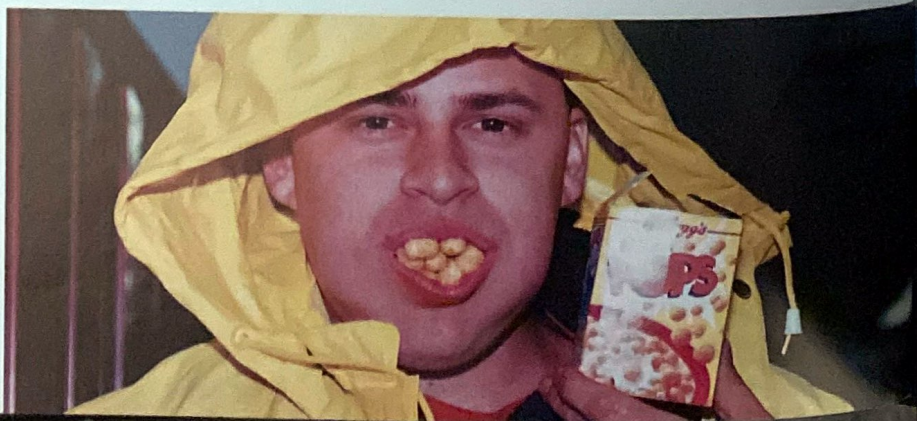

Life itself is a race, marked by start, and a finish. It is what we learn during the race, and how we apply it, that determines whether our participation has had particular value. If we learn from each success, and each failure, and improve ourselves through this process, then, at the end, we will have fulfilled our potential and performed well.

Rook Assembly

Time for a New Beginning

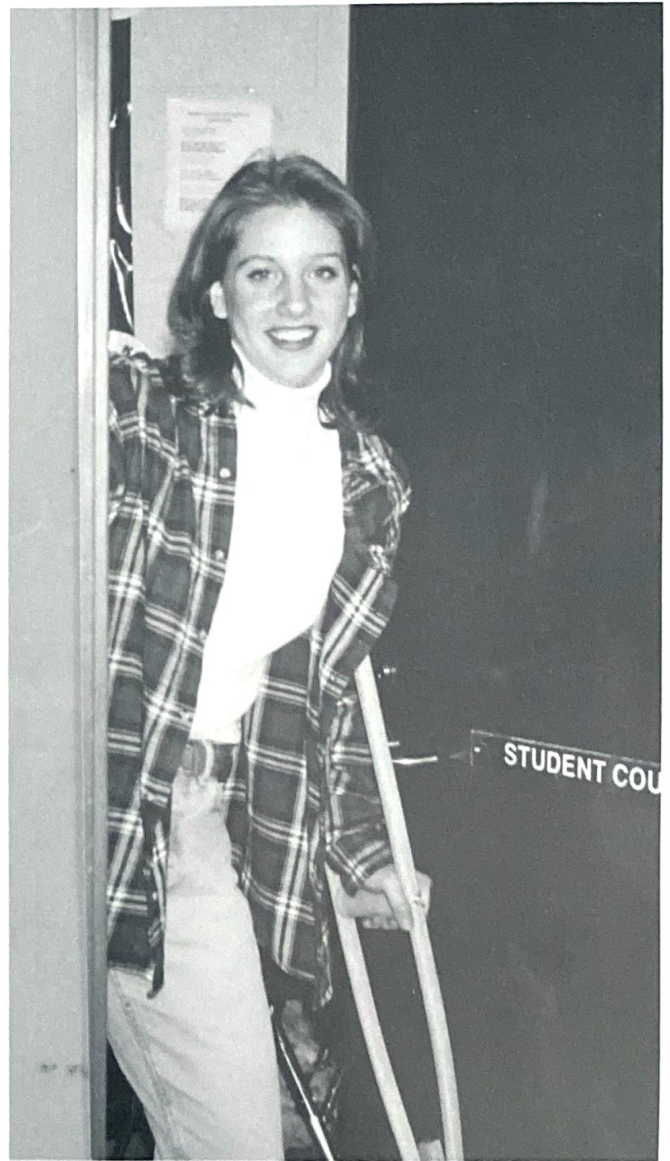

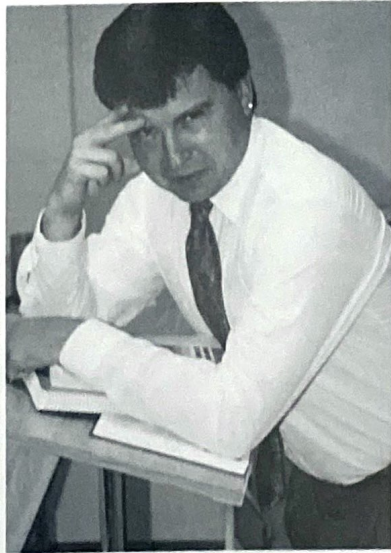

The JP11 freshmen (AKA "Ninners") were officially welcomed into the JP11 community on Friday September 22, 1995. Student Council prepared an afternoon fit even for the Mafia (which was also the theme of the assembly). The "Ninners" were greeted with everything from waterguns to chocolate pudding. They were set up on dates and they fished for marbles (with their teeth) in a pool full of oatmeal. The seniors did their very best to create an afternoon full of memories and new beginnings the 1995-1996 JP11 rooks.

Semi Formal

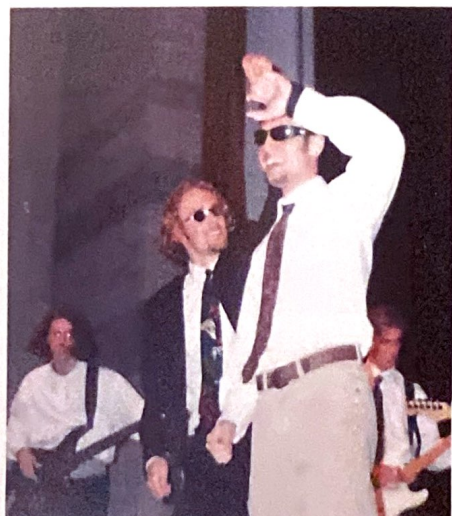

"Christmas"

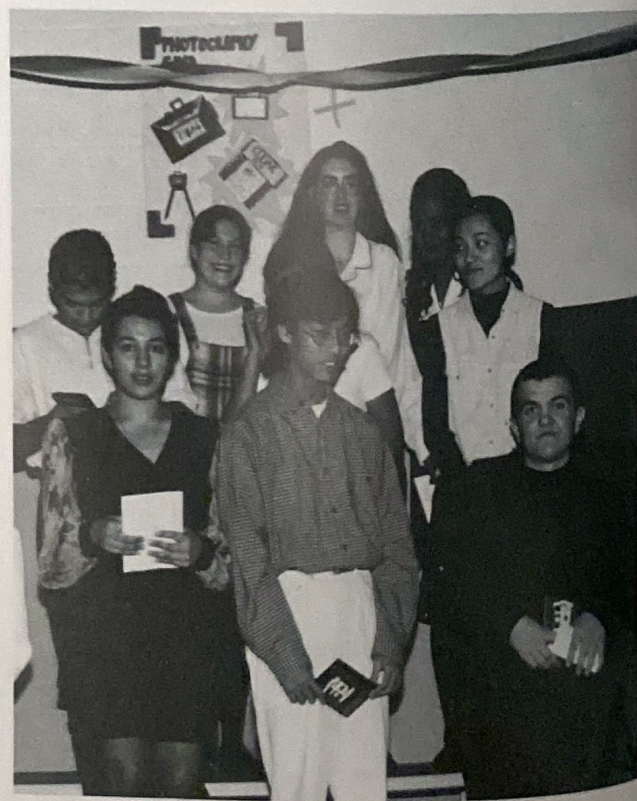

Once Upon a Time . . .

How did this year's winter Semi-Formal go? Just ask any of the 500 plus students who attended! The December 8th Semi-Formal took on a more traditional Christmas theme this year, as the colour of the balloons suggested. Back by popular demand, former Jags making up the band "Common Ground" played sets along with a DJ. The big Semi promotion came from all students who participated and attended the Semi-Formal Fashion Show. It was nice to see everyone dressed up as opposed to the usual jeans and t-shirts. Both events were to be remembered. A big thank-you to the few people who helped to put the events together!

The Music Man

The anxiety of the audition
The wondering when it's over
The excitement of the first look at the cast list

The sleepless nights
The restless moods
The frustration
It's all worth it.

The friends that are made
And the bonds that are formed
The lessons that you learn
And the hard work and selfless efforts of so many

A new way of life, changing yourself
The fulfilment you feel
The satisfaction of doing something that you truly love.

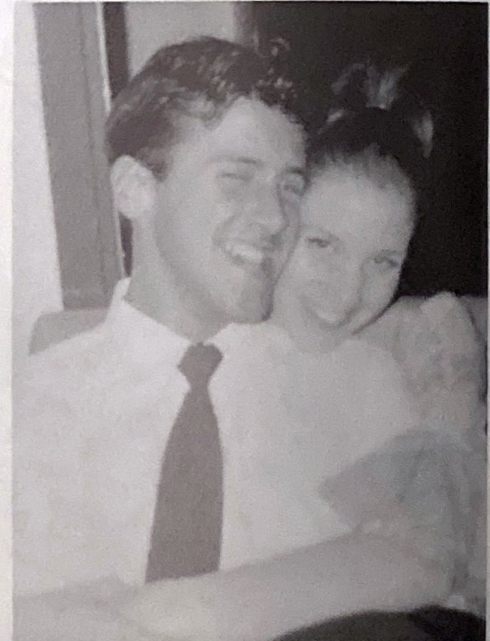

There are people that become your family
They are there to listen when no one else will
Because they understand.

And in the end
When you go up there and do it right
Everyone pulls together
And it's real, the applause genuine
It's all worth it.

The hole it leaves in your life
The void in your heart when it's finished
It takes time to move on
And return to normal
But now, what is normal?

The memories you hold close
The friendships that last a lifetime
The songs that play on in your mind forever
These are the things that make you know
It's all worth it.

THE MUSIC MAN

Breaking Down Barriers

By: Serena Leyes

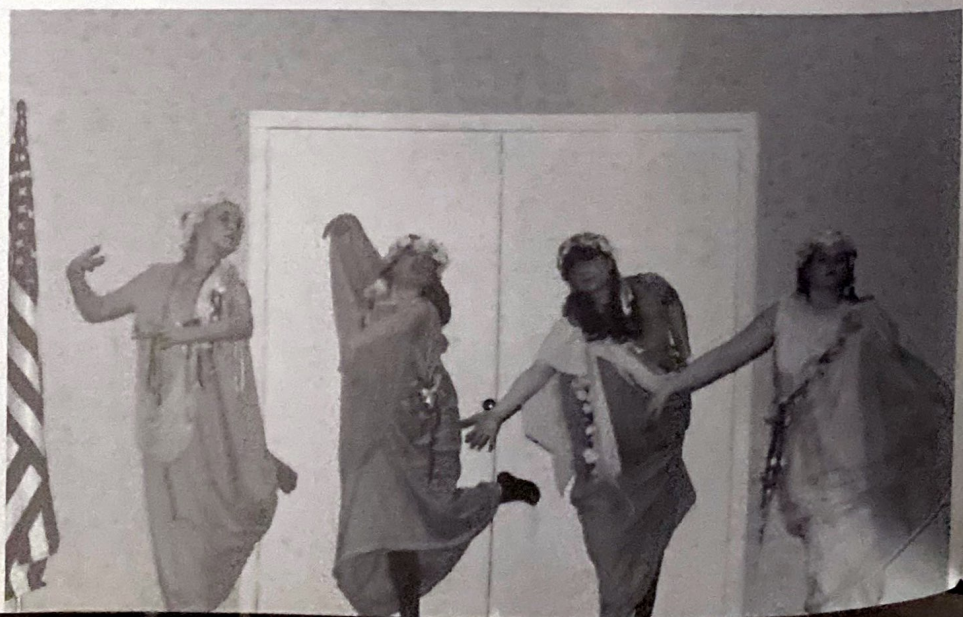

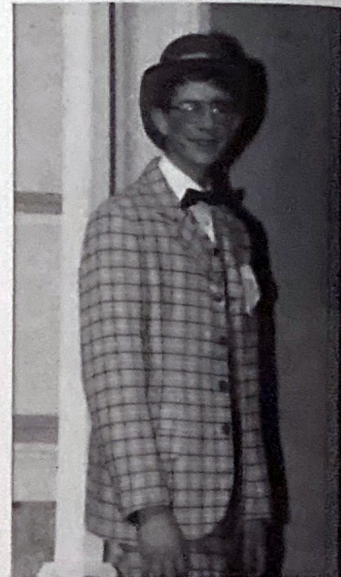

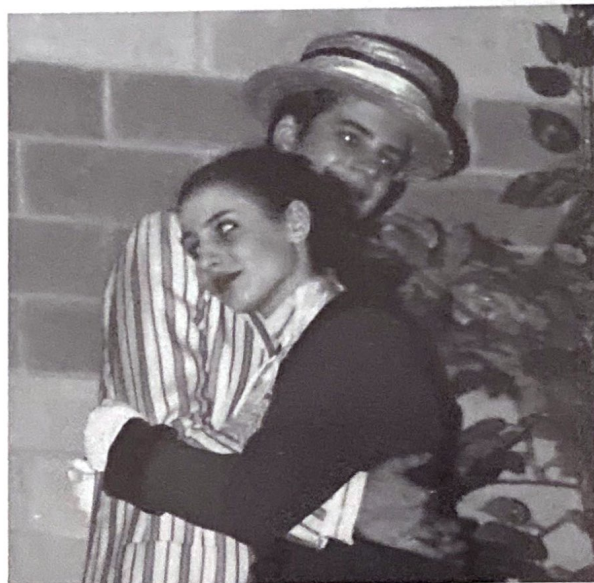

From April 16-20, 1996, I was involved in "The Music Man". This time and many months previous was spent with a diverse group of people whom I had never met before. This experience broke a lot of barriers and allowed both cast and crew to become one big family.

In the beginning, we were all shy and awkward, believing that the play must be the only aspect to which we could relate. I concentrated on my character exclusively and had no intention of creating new friendships.

As the practices progressed, we began to spend more time with each other. This play allowed me the chance to share many memorable times with people who until recently were complete strangers.

When the play was over, I was filled with disappointment and regret. I soon became aware that these newly formed friendships were not just for the moment, but would remain with me in the future. I now have memories which I share with nearly fifty students at my school. This play created a unity as we sang "Amen" and prayed before and after each performance.

We were a family, practically living in one tiny room, sharing bread from the same loaf and attempting to please each other as best we could. This was a once in a lifetime experience, and I for one am proud to have been part of it!

Four score and seven years ago, our forefathers brought to this great nation . . . hmmm I think this has already been said? Well Jag, it's that time once again when you receive the John Paul II yearbook, produced by the hard working Yearbook Committee. This is Fernando Circelli the Student Council President writing this message, you know, The Godfather?, Lunch Lady Specials?, or remember that crazy guy running around in the Mick Jaguar costume at the basketball games. Well by this time you receive this yearbook my duties as president are done and you will now have a new president to fulfill your needs. I'm writing this in May, so I can recap some of the main events brought to you by the Student Council last year. The school year started off with a bang!!! with THE ROOK ASSEMBLY. The theme this year was "The Mob." This is when some of the grade nine students in the school got to experience first hand what the Student Council could do, (O'Canada, Pool of Muck, and The Love Connection, etc.) Other events throughout the year include the Much Music Video Dance party, Rent a Pal Day, Semi Formal dance, and fashion show, Entertainment Assembly, Recognition Assemblies, Battle of the Bands, the Halloween, Valentine, Rave dances, Prom fashion show, etc.

There are many people I would like to thank for me having a successful year on council. I would first like to thank Mr. McLellan, for putting up with me all school year, I know it must have been hard. I would like to thank all the other council members, Trish, Julio, Marilena, Vanessa D., Allison, Vanessa F., Christian and yeah you too Carlos. I would also like to thank Mr. Cassidy, administration, the teachers who had to put up with my loud knocks on doors, and the students.

I think my being on the Student Council has taught me many things and has gave me a valuable experience for the future. If there is one thing I've learned from being on the Student Council, it is that it is very hard to please everyone in the school, no matter how hard you try. If there is any advice I could give students it is to be involved in the Student Council, the experience will last you forever.

In conclusion I hope we've made your school year a fun, and memorable one, I know it was for me. Enjoy the memories every time you look in the yearbook of your 95/96 school year, the picture of your hair, or clothes you wore in grade nine, ten, eleven, twelve, oac, your friends, and teachers. For those students leaving, may your memories of John Paul II always be with you, and for those in grade nine, there are more memories to come.

Yours in a Groovy Way

Fernando (The Godfather) Circelli

The 1995-96 Student Advisory Council came together long before the beginning of the school year. Our 1st big "meeting" began at the Catholic Student leadership Conference in May where ideas and suggestions for this year came pouring out. Were there any differences? Well, with the variety of individuals on this year's council, perhaps a few. But that never stopped the council from producing new-age video presentations during recognition assemblies, and over-sold Christmas Semi-Formal and helping the Children's Miracle Network Telethon by selling "Miracle Ballons" for Children's Hospital, along with other school related events. The Student Council Representatives of the 95-96 year got along well and hope that next year's 96-97 council will also form strong ties with each other and help bring back the traditional Jaguar spirit.

Student Store

Once again, the "PAWS HERE" Student Store was open for business. Best of all, we had a candy craze! I'd especially like to thank everyone who devoted their time to the Store.

Unfortunately, there are too many people who worked in the store to name them all but their help does not go unrecognized. Again, I'd like to thank everyone who helped out with another great year for the student store.

Chaplaincy

This was a year that started in sadness. As a school community we mourn the passing of Mike Elsie, one of our math teachers. Mike's unexpected death and other staff illnesses and surgeries marked the beginning of our year. Our prayers and thoughts continue to be with Mike's family and friends, and we ask God to grant those staff members who are still ill his healing touch.

Province-wide it was a year of cut-backs. Here at JP II, it was a year of amazing outreach, as our Jags collected an incredible amount of food during two separate food drives. The London Food Bank and Ark Aid benefitted from our students' generosity, both materially, and from their generosity of spirit (as shown in the number of students who volunteer their time to help at these and other agencies, nursing homes, and so on). John Paul II is a school blessed by students and staff, who truly care about others in our school and in our larger community.

From school masses at St. Michael's Church to our various liturgies celebrated in our own cafetorium, we worshipped, and many people who were actively involved in our celebrations, either serving as readers, communion ministers, choir members, etc. or as participants. Our days of Reconciliation were prayerful, affirming examples of how the Spirit is alive in our community. Thank you to the generosity of those priests who allowed us to offer this opportunity to our school. As always our Chapel remains a place of peace, of quiet, of prayer. The doors are always open. An increasing number of students and staff avail themselves of this wonderful opportunity to reconnect, to touch base and spend some of their time, with the Lord.

Life can bring our students much stress. Talking things over can help people make sense of what life hands them. The Chaplains offer a listening ear, a safe place to talk things over. We also offer a Loss group, for students who have experienced loss in their lives, either through death or divorce; a peer support program where students help support each other; and an Al-a-teen group for students concerned about someone else's drinking.

It was a year of joy; of sadness; of unselfish reaching out to others; of school Masses; of classroom Masses; of being privileged to watch our students and staff learn and grow, as people, as Catholic Christians. We wish you the peace of Christ in your life.

Auction

Once again the annual auction to raise money for the John Paul II School Council's Scholarship Program was a smashing success! Under the direction of the School Council's Fund Raising Committee's Chair, Donnita Maxim, the auction raised \$3600. The success of this year's auction was due in no small measure to the organizers and Ronnie Purssglove (parent). Kathy's "gentles persuasive" way ensured an unprecedented participation by the school's teachers and staff - both in the significant number of donations and in their attendance at the auction. Ronnie's organizational skills - not to mention the auction - helped to make the lead-up to and the auction itself run so smoothly. What a truly fantastic job done by these two ladies - hope to see you for Auction 1997!

To everyone, a sincere and warm "thank you" is extended for your support of this year's Auction. Please know that the money raised is directed to the people that matter most - the students of John Paul II.

Mr. Sweeney

Peer Support

Besides 'writing on the walls' in our *new* room (136-B) library, it's been a highly productive year for the peer support team. We began our year by holding a mini-retreat for our new members in which they were trained in the basic communication skills that would serve them well throughout the year. From there we began building relationships with the grade 9's of JPII through one on one interviews. Despite all this year's chaos we managed to continue with our usual orienting, tutoring and being there for those who needed us. Special thanks to the Zulu Queens of Peer Support, Miss Kennedy, & Mrs. Durand.

Library Club

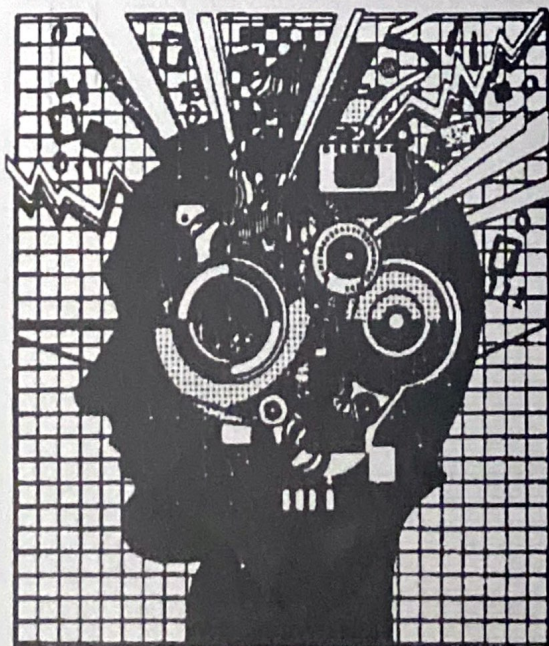

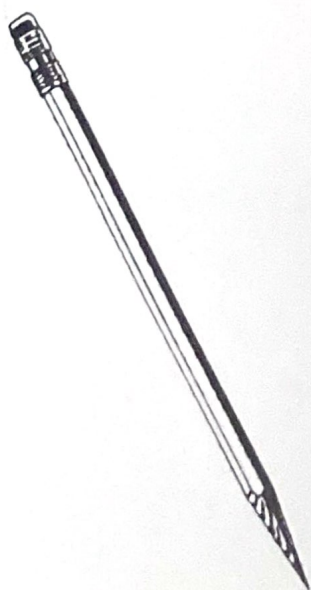

Our heartfelt appreciation is extended to all of our Library Club members who have helped out at greatly again this year in the school library by reshelving books, working at the circulation desk and acting as door monitors. Their dedication has resulted in the smooth operation of the library over the busy lunch hours, and the volunteers have learned a great deal about the daily operation of a library. The club is always welcoming new members, so come on out and give it a try!

School Choir

This year's main event was the purchase of new choir uniforms. The ladies received tuxedo skirts, shirts, bow ties, and cummerbunds while the gentlemen received tuxedo pants, shirts, vests, and bow ties. Several notable concerts include the Christmas concert at St. Luke's Anglican Church, and the concert for JPJ's affiliate schools. Plans for next year include a September membership blitz and a trip to Québec City.

Reach for the Top

In this, their first year of competition, John Paul II Junior and Senior teams enjoyed a successful year in the competitions which were held at Westminster Secondary School in November 15, December 6, February 14 and March 27. During the competitions, the Senior team from Saunders Secondary School which later went on to win the Canadian Championship for Schoolreach. The Junior team was also very competitive in regular season play, with an average of 323 points per game. The City finals were held at Catholic Central High School on Saturday, April 13th. Both the Senior and Junior teams were defeated in the play-off eliminations but represented John Paul II very well. We, at John Paul II, are proud of the efforts of the teams this year and look forward to another successful year in 1996/97.

Newspaper Club

The JP Newspaper Club in 1995-1996 introduced The JP Journal - a school newspaper featuring sports news, horoscopes, and information about student activities. Under the leadership of editors Sarah Turney and Rebecca Sommers three editions were published: Christmas, Valentine's Day, and Student Election issues. Other student contributors to The JP Journal were Stephen Echavia, Cassie McDowel, Serena Leyes, Jenn Murray, Margaret Wrobel, Terry Watson, Patricia Sullivan, Maureen Sullivan, Jen Graham, and Siobhan Donohue. Mr. Ruypers served as club advisor.

Weight and Fitness Club

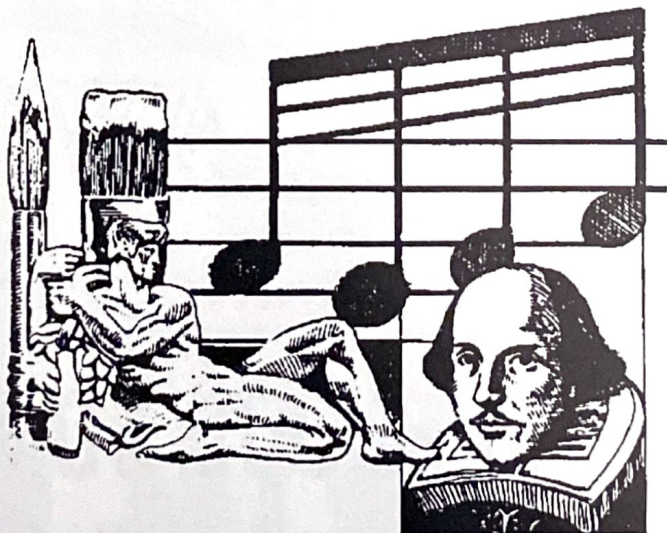

What a wonderful facility to have at our school. In the weight room much effort has gone into developing physical strength, fitness and well-being. Many students and staff have used this venue to not only better themselves, but to also contribute to the life of the school and to serving others.

Staff Supervisors: Phys. Ed Department, J. Bulsza, J. Delaney, C. Kirby, H. McHenry, M.L. McGuire, M. Meekins

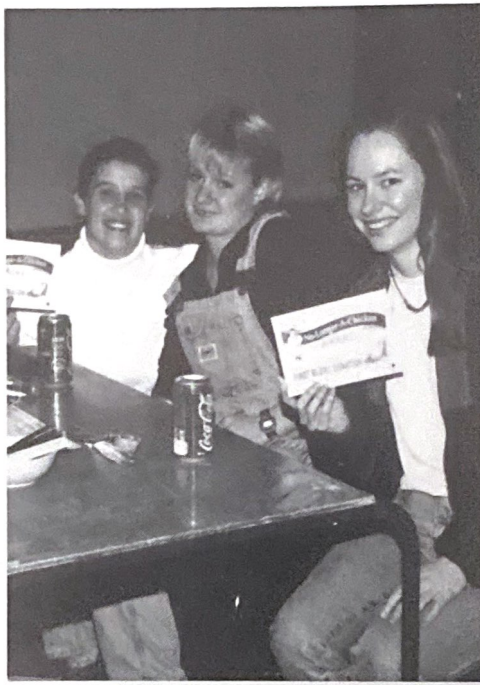

Arts and Letters Club

This club is dedicated to promoting the enjoyment and understanding of Fine Art throughout the JP school and community. The Arts & Letters Club was a place in Toronto where members of the Group of Seven (famous Canadian artisans) met to exhibit and discuss their artwork and ideas. This is a new club to JP which was started second semester. Members of the club were involved in painting the sets for the school show as well as painting a mural for the Children's Aid Society. In the future we are hoping to raise funds for a possible trip to New York City as well as sponsoring a M.A.D.D. night to celebrate music, art, drama and dance. Remember the only limitation is your imagination!

Yearbook Committee

From Kristen . . .

It's finally done! The book that has consumed a year of our lives is finished. Nichole and I worked hard to put this book together and I hope that it serves to "freeze time" and capture for all of you the memories of this year at JP II. Many thanks to Nichole, Ms. Zomer, Terri, Jenn, Jeanine, Jeremy, Sheri, Jason McGuire, Mrs. Regier, members of the yearbook committee and everyone else who has helped along the way.

From Nichole . . .

It was a long, complicated and difficult year . . . but we did it!! There are many people who deserve special thank you's; Ms. Zomer, Kris-10, Jeremy, Mom, Dad, Jeanine, Jennifer, Sheri & the Yearbook Committee. All of your extra help does not go unnoticed guys!! Our theme was "TIME" and we tried to convey this throughout the book in as many different ways as possible. I enjoyed working on yearbook & hope you enjoy the result of my hard work! Good luck to Mike for next year!!

From Ms. Zomer . . .

Being a yearbook editor is a tremendous challenge. The editors are responsible for creating a book of memories for the entire school. Every year I am amazed at the amount of time and effort put into the planning, designing and creating of the yearbook.

This year's editors, Kristen and Nichole have worked long and hard to create this book. At times I know they have wanted to give up and run screaming from the yearbook office. In the end though, they have made a significant contribution to John Paul II. The yearbook they have produced will be a permanent record of this past school year. On behalf of the entire school I just want to say thanks and that your hard work has not gone unnoticed or unappreciated.

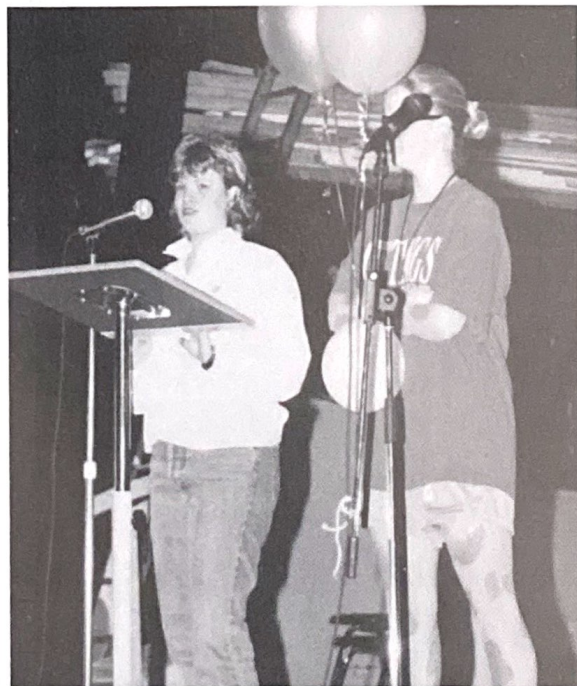

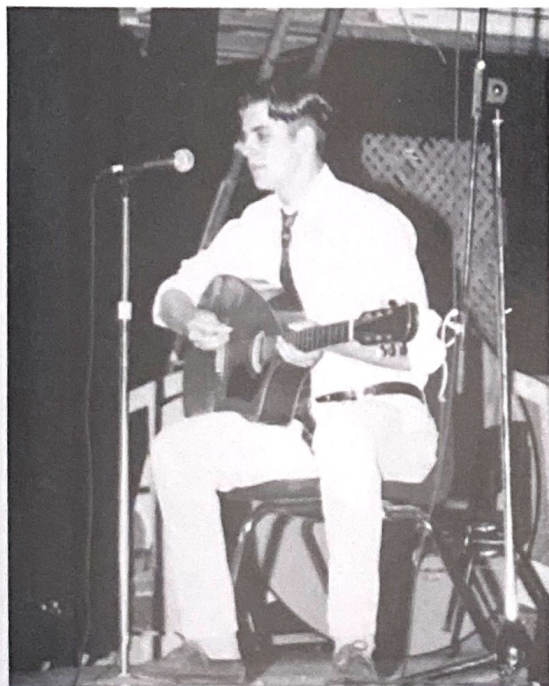

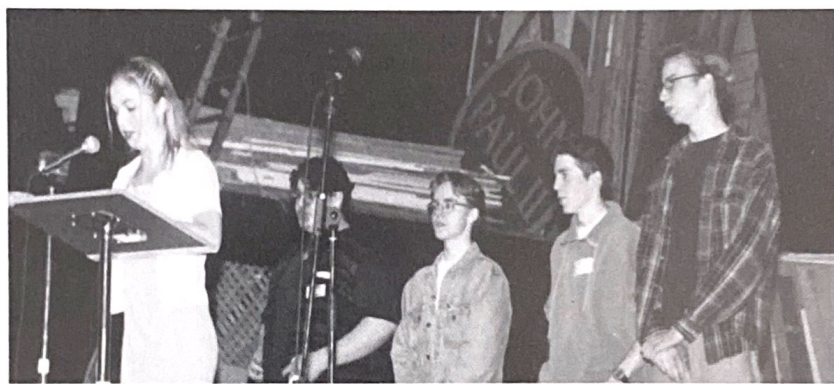

Standing: Christine Dy-changco, Sarah Fraley, Derek McDowell, Patricia Sullivan, Donald Christopher, Mike Marsman, Trish Sta. Maria, Hajanaka (Nika) Tamas, Ellen Knott **Kneeling:** Nichole Daly (Editor) and Kristen Romme (Editor) **Absent:** Rita Di Cesare

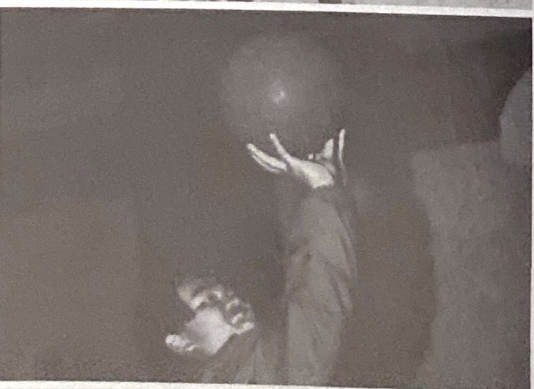

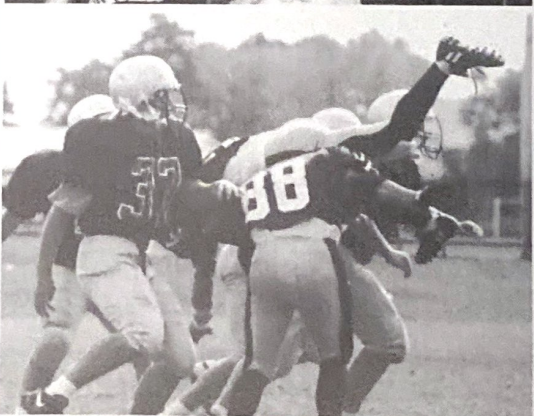

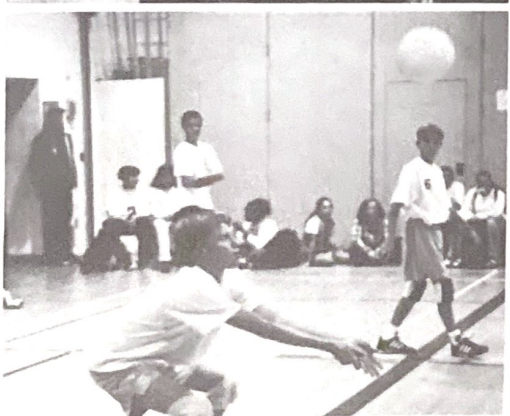

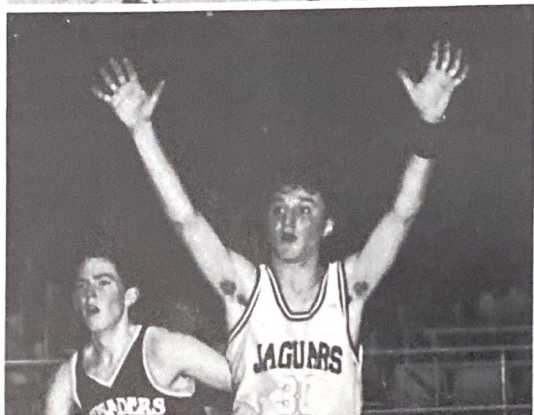

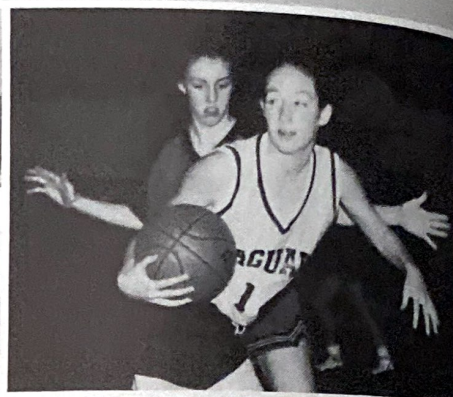

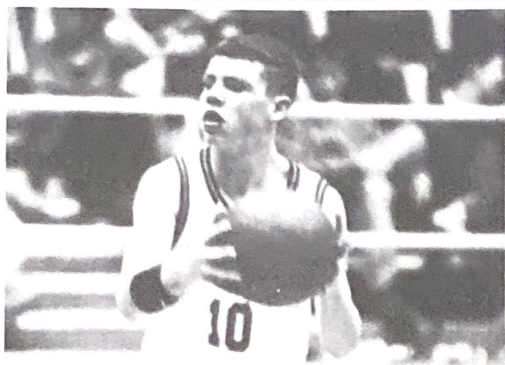

An extra special thank you goes to Jason McGuire for his amazing illustration of the year-in-review. Sorry about the short notice . . . but you produce great work under pressure.

Midget Boys Basketball

The Midget Boys Basketball team had an outstanding year culminating in an appearance at the City Championships with a five point loss to Lucas. Other than that the season was a tremendous success with a great performance at the All Ontario Catholic Tournament in Hamilton and a big win over RMC in the city semi-finals.

The Junior Boys did not make the playoffs this year but they played well in many games. They suffered some close losses to very good teams. A few players will be returning next year along with the City Finalist Midget Team and next year will be much better. Thank you to all players and to coach Joel Howard for volunteering their time.

The Senior Jags finished the season in 4th place with a record of 10-4. In the playoffs, JPII lost a tough game to Lucas by 1 point. Congratulations on a fine season. Thank you to graduating seniors Dino Zirtlides, Matt Moncrieff, Juan Romero and Chris Brown for their hard work and dedication in their five years at JPII.

Midget Girls Basketball

This year's Midget Girls Basketball season was both successful and enjoyable. Between pizza parties, the girls completed a 13 and 1 season, with an "up-tempo" offence and an "in your face" defensive philosophy. This high energy approach meant significant playing time for a majority of the team and really contributed to a sense of team unity. The highlight of the year was a semi-final victory over CCH, overcoming an early 20 point deficit. The team made JPIL proud by advancing to the city final where they were defeated by a fine team from RMC. Mr. McPherson and Mr. O'Neill would like to express their gratitude to the members of the team for putting the "team" first. It was a great year. We wish the girls "all the best" in their future athletic endeavours.

Senior Girls Basketball

The 1995-96 Senior Girls Basketball team once again experienced an outstanding season. Although disappointed at WOSSA the Jags did retain their city title for the 3rd straight year. The girls had a great win/loss ratio at approximately 45-4. Great team spirit and sportsmanship was shown by the players and it got the team through a tough season. Best wishes are extended to the graduating players Laura Amantea, Sonya Doherty, Jenn Delaney and Jen Jansen. Good luck next season girls!

Boys Volleyball

Junior Boys Volleyball

The junior boys had a fairly successful season considering all the new young talent on the team. The boys ended with an 8-6 record to miss the playoffs by one position. They won the St. Mike's Stratford consolation finals. Congratulations on a good season and good luck to those who are moving on to senior.

Midget Girls' Volleyball

The Midgets' season went very well. With help from Maria, Amanda and Danielle. The middle was strong, with blockers supreme, Like Chantha, Anna, Dorothy and Jolene! The power position indeed had its mission: Hit the ball hard and kill the darn chicken! Chinda, Alicia, Jalna and Jenn Gave it their all, time and again. Laura and Jolene served with great might, Mechback and Burton cheered with delight As Chrissy and Sonja volleyed the ball And Cullion set and served with her all. Sunny and Higgins managed this crew, Their efforts were noted, and excellent too! The team won some games, and they lost a few, Their bronze medals indicate just what they could do. The season was wonderful, but it had to stop, Now on to Junior: this is one talented crop!

Junior Girls Volleyball

The junior girls volleyball season was a lot of fun this year. They finished with a 5-9 record, but were never willing to give up. Their spirit and tough attitudes "served" them well in tournament action, always representing John Paul II proudly. The future looks bright for all the players. Thank you to Mrs. Foster and (Mr.) Gardiner, our crazy coaches who made the season so enjoyable. We will never forget serving practice (we'll get over it sooner or later), Pizza Hut, Mr. Gardiner's football drills and finally getting Jen to yell.

Senior Girls Volleyball

The senior girls had a slow start this season but worked hard to pull off a playoff position. They lost in the quarter finals against a determined Oakridge team. The girls played exciting ball in Windsor at the Riverside tournament. They made it to the semi-finals and fought right to the last point in the 3rd game which advanced Strathroy to the finals. The camaraderie amongst team members made it an enjoyable and interesting season. Good luck to those who are moving on next year: Renée, Natalie, Jen J, and Jen O.

Junior Football

After probably the most successful season on record, the Junior Jags came to a screeching halt in the quarter final game. Both the offence and the defence produced all season, but in the final game the defence gave up too many points. Great season guys and Amanda.

Senior Football

The senior Jags had a season full of highs and lows. With a team full of young rookies and well seasoned veterans, it was hard to predict how the team would do.

The season started off with a loss to "The Road." As RMC came along we played together and it looked like a very promising season; however, due to a last second desperation play, the Jags went down in a hard fought game. Promising to keep working as a team the senior Jags went on to win the next two games, proving that hard work, dedication and team work pays off in the end. The season had many memorable moments. Players showed remarkable skill throughout the season, not to mention heart and determination. With a solid core of returning veterans, and several juniors with lots of potential coming up. Next year should be successful.

Hockey

The hockey team enjoyed a very productive and successful year. The team finished third overall with 21 points (10 wins, 5 losses and 1 tie). The Jags' season ended with a loss to second place Lucas. The Jags tied the first game of the four point series 0-0, lost the second 5-3, and tied the fourth 4-4. Ashley Goldie missed an empty net with 10 seconds left in game three. The team was led by strong goaltending of Jeremy Powers and veteran defensemen Steve Holden, Adam Duskocy, Brian Marek and Erik Lasch. Ashley Goldie and James Welsh provided most of the offence. Scoring goals was a major problem throughout the year. The Jags were represented in the annual "All Star" game by Jeremy Powers (goal), Steve Holden (defense) and A.J. McCallum (forward). One of the many highlights was a six goal game by Ryan Baynham in the St. Thomas Aquinas Tournament. The players can be proud of their accomplishments and should look forward to even greater feats.

Many thanks go out to our coaches Mr. Bernie Mockler, Mr. Kevin Pollak, Miss MacVoy and the team's assistant coach Brian Velocci. With continued hard work, discipline, dedication and respect for the sport, next year's team promises to be a force to be reckoned with.

Junior Soccer Jags: City Champions

Junior Boys Soccer

The success story for the Junior Boys Soccer team continued this year with the team winning the Division One title for the fourth consecutive year. The team became the city champions for the second consecutive year and the third time in four years. They have become the team which all the other schools measure themselves against and the foundation stone for the amazing success of the senior soccer team. All the coaching staff of Mr. Young, Mr. Martens and Mr. VanDommelen congratulate the team for the quality of their play and the level of their play and the level of their achievements. Well done Jags.

Senior Soccer Jags: O.F.S.A.A. Silver Medallists

Senior Boys Soccer

The senior boys soccer team has much to be proud of this year. Undeclared in the regular season, they continued their success by taking a W.O.S.S.A. Championship and an O.F.S.A.A. silver medal. The hardships of the season only seemed to mature and strengthen this group of young men who finally put it all together. The team will be losing Giuseppe Bambino, Jeff Facchina, Nick D'Oria, Vince Romeo and Maciek Michalski but will be gaining a great deal of talent from the junior team, guaranteeing that O.F.S.A.A. hasn't seen the last of us yet.

Senior Girls Soccer

It was a learning season this year. The girls played well in their tournaments in Exeter and Windsor. It was a building year for this young team and they showed a growth. Thanks for the great season girls!

Junior Girls Soccer

The Junior Girls Soccer Team demonstrated a truly spirited performance in each and every game they played this season. Was the season a success? Of course it was! This fine group of young ladies pulled together and were supportive of one another on and off the field. This was a most enjoyable season for the coaches and we thank each player for her enthusiasm, commitment and team/school spirit - it was a fun-filled season. Have a wonderful summer and we look forward to seeing you in September. Take care!

Cross Country

This year's edition of The Jaguar Cross Country Team continued its' tradition of strong performances. The season included ten excellent meets, including a trip to Peterborough, and culminated in a trip to OFSAA for two of our six teams. Our girl's teams pushed hard this year and managed two fifth place finishes at London Conference. The girl's showed some real promise of next year as we should have strong teams in the junior and senior divisions. On the guys side the men had an excellent year with a second place overall finish at London Conference qualifying the entire team to WOSSA. Of special note was a strong midget boy's team led by the strengths of Cesar Borquez and Pat Brown. Cesar easily finished first in the midget division to take the London Conference Midget Crown. The senior boy's also had an outstanding season under the leadership of Mike Gauthier. Both the midget and senior boys managed to qualify and run at The OFSAA Championships hosted here in London by John Paul II, Banting and South. Things look very promising for next year as most of the team is returning. Special thanks and farewell to all our graduated veterans, especially, Sarah Liston, Adeep Segkar, Shannon Pettypiece and Jeff Facchina. The time and dedication they showed to the sport was greatly appreciated and will be fondly remembered.

Track and Field

Once again the Track & Field team experienced success on both the Track and on the field. Of the 75 athletes who competed at London Conference, 40 advanced to WOSSA. Of these 20 qualified for OFSAA Regionals. Special congratulations to our Midget Boys team who won the overall city and WOSSA Championship title.

Junior Badminton

1995-96 was a very successful year for the John Paul II Junior Badminton team. We had a lot of fun, and built a lot of character. In London Conference, we had excellent performances from everyone, especially Kate Cook and Dean Padavan (mixed doubles) who won 5 matches, Sue Phan and Erin Patterson (girls doubles) and Hazel Hanlon (girls singles), who finished 5th in London. Good luck to our juniors who are moving up to senior next year. To you and the returning juniors, we look forward to more fun and more success in 1996-97.

Senior Badminton

We competed well throughout the season. There was a lot of improvement as individuals but also as a team. The highlight for the team was our Boys Doubles (James Paul & Peter Ironside) finished 3rd & Girls Doubles (Joanna & Priya Pinto) finished 2nd at the Red Devil Tournament in Woodstock. Lynne Hanlon & Son Nguyen worked hard on their game & showed much improvement.

James & Peter also competed in a tournament in Guelph & finished 1st in their division. Congratulations!

Special thanks to Leanne Dietrich of Althouse College who assisted with the coaching.

Tennis

The tennis team featured its best results with both senior and junior teams reaching the city finals before losing close matches. The individual conference finals were also exciting. Jason Dunlop won the senior boys singles title, Shane Beekhoo won the junior singles title, Mike Marostega and Becky McKillican won the senior mixed doubles title, Nahrin Mirza advanced to the Senior girls final before losing a very close match, Damian Szewczyk and Hazel Hanlon advanced to the mixed juniors semi-finals, and Chris DaPonte and Tony Garcia advanced to the senior boys doubles semi-finals. Thanks for the effort, everyone!

Alpine Ski Team

1995-96 was the first year for an Alpine Ski Team. The team consisted of athletes from gr. 9-OAC.

Cold days were spent practising at Boler Mountain & at "dryland" practices at JPIL. All the hard work & early morning bus rides up North paid off with a respectable finish at our first meet at Blue Mountain – the Stayner Invitational.

The highlight of the season was organizing and running the WOSSA qualifying meet at Talisman.

Boys & girls teams did well at London Conference (girls got 2nd place over-all!!) & at WOSSA Sean Purssglove qualified for the Provincial Championships (OFSAA Ski Festival) & represented JPIL well against unbelievable competition.

Thank you to co-coach, Kim MacVoy & all teachers who supported this new, enthusiastic team.

Back Row: Scott Mountlnay, Mr. Herman, Daryl Tearne, Mark Wright, Sean Purssglove, Helen Vrabec
Front Row: Ms. MacVoy, Jay Reaume, Cassie Bould, Amy Bannon
Missing: Trish Young, Alisha Purssglove

Curling

The Boys Curling Team was very competitive this year and gave every opponent a close game. The team won several games but fell two points short of a playoff spot in the tough "A" Division. It is hoped that Owen Edwards, JPIL's Student Council President for 1996-97 will be able to return to the team next year. The coaches believe their will be a strong nucleus to build on in the coming season.

Back Row: Mr. Adams, William Meyers, Mike Stewart, Dave DeBrule, Mr. Cassidy
Front Row: Sean Kenney, Przemysław Kozłowski, Tomas Kisiel

Swim Team

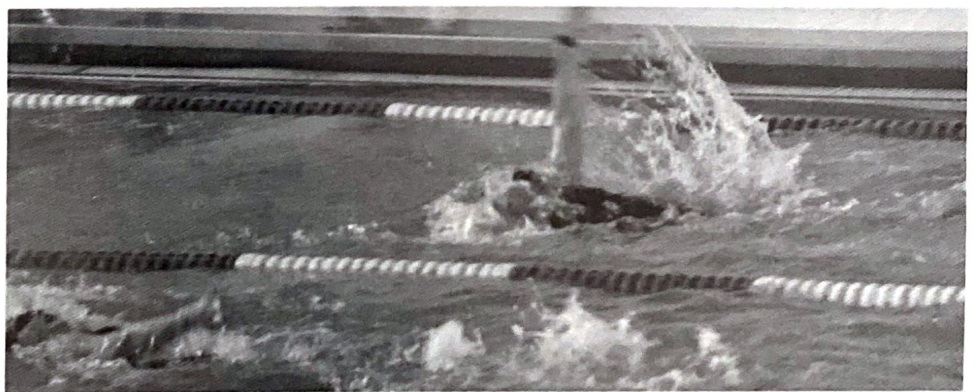

As a still growing team, the JPII Swim Team made quite a splash this year! Thanks to great showings at local meets and many personal bests at London Conference, 3 of our 14 swimmers went on to compete at WOSSA. The biggest heartbreak this year was missing OFSAA by 9/100th of a second . . . (Couldn't you go just a little bit faster Cassie??)

Hope to see you back in the swim of things in September!

Wonderful Tonight

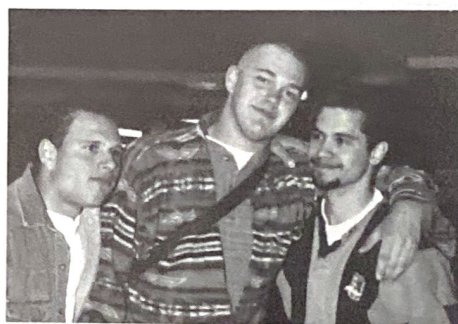

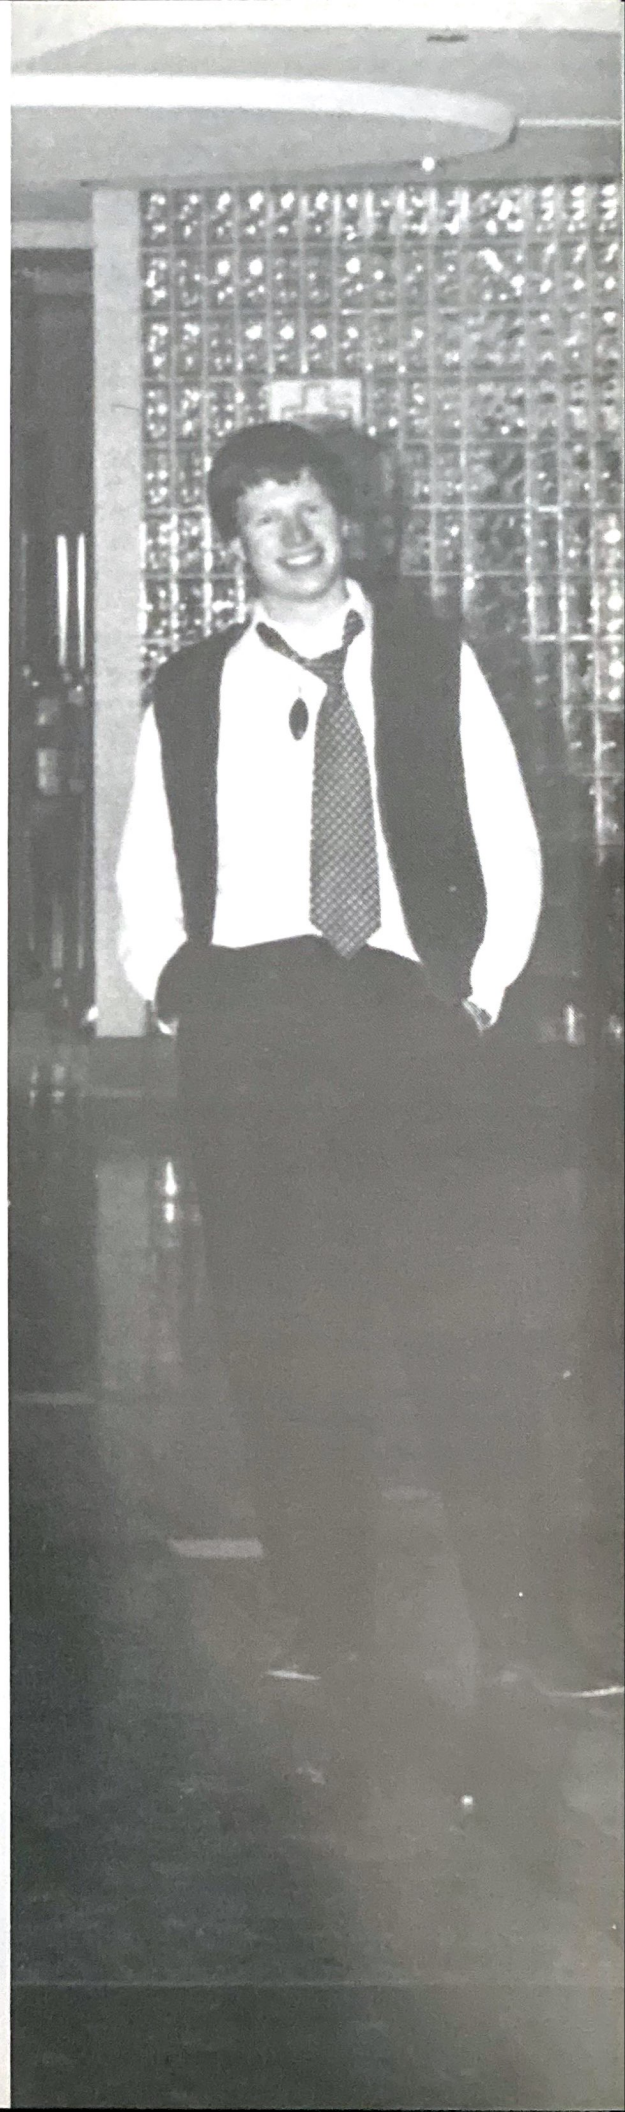

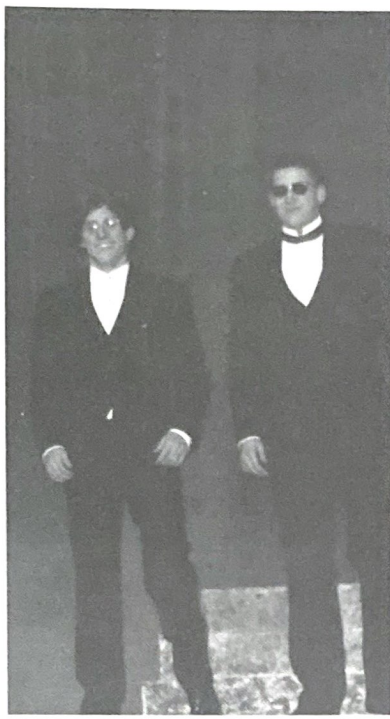

Time to Remember

High School will always be remembered for the memories, both good and bad. It is a time to learn, time to laugh, time to love, time to care, time to give, time to share, time to cry, time to be proud, time to experience, time to listen, time to be yourself, time to talk, time to make friends, time to change, time to compete, time to play, time to create, time to experience all the life has to offer.

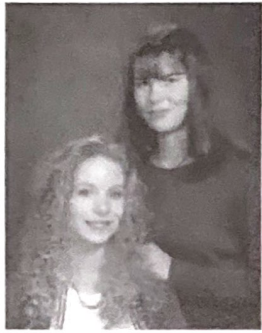

As our graduates move on from JP II, they will look back on High School as a special time of their lives. They will cherish many friendships which were made inside the walls of JP II. They will recall their achievements and their downfalls. They will remember special events which marked yet another milestone in their lives; Prom '96 and Graduation.

Each person will have established their own place within our school . . . a place which he or she will be the only person to fill. We wish our graduates good luck in the future and we hope that their time at JP II was "The Time of Their Lives."

From The Valedictorian

As valedictorian for the 95-96 graduating class I would like to repay all my fellow classmates who have helped me in my four years at John Paul II. Seeing as I'm short on money (because of car repairs and other reoccurring financial concerns) I concluded that a simple pay-out is not the answer. You've all given me so much to remember and think about that I feel I should take this chance to give you something to dwell upon.

I would like you all to leave here with the following two lines in mind:

"All the roads we have to walk are winding.

All the lights that lead us there are blinding."

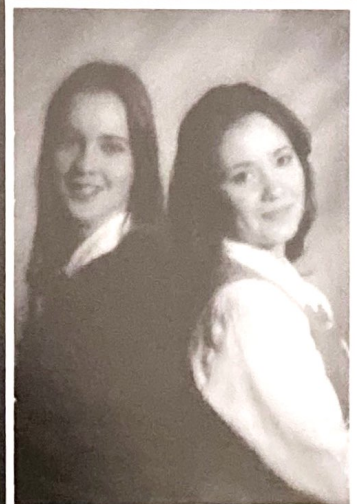

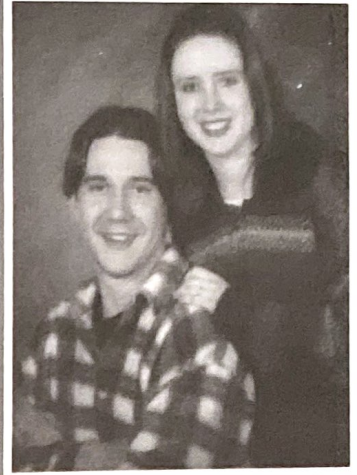

This small quote was not made up by me, nor anyone truly intelligent such as a philosopher or great thinker, instead it is often sung on morning announcements or on 103.1 by a group of coke-heads from England. It is, as I'm sure you all know, the chorus to the song Wonderwall, and although Oasis may have meant it in a completely different context, it applies directly to us, the graduating class. At the risk of sounding intellectual I feel I should explain how exactly it applies.

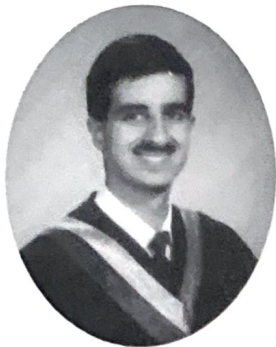

As some of us go off to University or College, head to the work force, or come back to John Paul II, we are embarking on a new path which we have not set foot on before. What's at the end of this path may be great however the struggle to get there will be even greater. Obstacles will arise continuously and these bends and curves may slow us down. Certain small goals or objectives act as lights leading the way but sometimes these lights may seem intimidating obstacles in themselves. As you all follow your individual paths you must realize that nothing will come easy and with the winding (knowing this graduating class) there will also be whining. We must bear down like we've done in the last four years at John Paul II and hopefully we will all come to the end of our path.

Although this may be more cheezy than sincere, I wish you all luck in the roads and paths you will follow, you've all been my Wonderwall, I hope I was yours. (Fromage!)

'96: The Sum of its Parts

Timeless

As the hands of the clock turn to 2:50 p.m. the school day comes to a close and so we close this book. Its pages reflect over 150 000 minutes of learning, competing, laughing, living. Hopefully this book will serve to hold those minutes timelessly so that we may always remember the faces and memories of JP11 and the year that was 1995-96.
